Hi everyone

my name is Brett i'm new to the site

my wife and myself selve have just bought our first investment property in Brisbane

i'm looking to chat and exchange ideas with like minded people this is why i joined the site

i have read alot of the books Toney and Dave talk about i their book

i have a young family which takes up alot of my time but i'm hoping through investing in property and shares i can sercure there future for them

i hope to hear chat with lots of people soon

thanks
